## A Note from Eric and Chris

*Merry Christmas and Happy New Year!  
 From your Hometown Insurance Agency*

This year has certainly been a year with its own challenges! We hope this newsletter finds you and your family well. Our thoughts and prayers are with anyone who has experienced sickness or the loss of loved ones.

More than ever, we are so thankful for the DeBerry Insurance Agency team and being part of our community. This year has presented opportunities to give back in unique ways. From gift card purchases from local restaurants to benefit families through The Well, to giving back to support our community's first responders, we have striven to do our part to help see our community through.

In other news this year, we are excited that our agency was voted "Best Insurance Agency" in Spring Hill and Thompson's Station by the readers of the local newspaper, The Advertiser

News. We were also recognized with a Community Service Award by the local chapter of the Daughters of the American Revolution. Eric was also recently appointed as a board member of the Spring Hill Chamber of Commerce. You can read more about each of these topics in this newsletter.

Although we may not have seen everyone in person as much as we would like to this year, our pups, Finn and Q are doing well and still serving as our official greeters for the office. They continue to bring us joy!

We are honored to be your Hometown Insurance Agency. As always, we are only a call or "click" away if there is ever anything we can do to help you with your insurance needs. We wish you and your family a very Merry Christmas and a Happy New Year!

Sincerely,  
 Eric and Chris DeBerry

# Giving back in 2020

During the COVID-19 crisis, we wanted to find ways to give back locally. In May, we partnered with our carrier Erie Insurance Agency to purchase \$1,000 in gift cards from locally owned restaurant Delta Bound. We then donated the gift cards to our local food pantry, The Well Outreach, to benefit local families in need. The gift cards helped to support local businesses while providing delicious meals for families visiting The Well!

During National EMS Week, we partnered with Chubb Insurance to purchase \$1,000 in gift cards from locally owned restaurant, Jack of Hearts BBQ and donated them to the EMS team at Maury Regional Hospital and the team at TriStar ER in Spring Hill. Our first responders put their lives on the line every day to serve our community. We hope the gift cards helped them know how thankful we are for what they do!

# DeBerry Insurance receives Community Service Award

We were recently recognized as the recipients of the Daughters of the American Revolution (DAR) Community Service Award by the Brigadier General Richard Winn Chapter, NSDAR. Vicki James, Chapter Regent, presented the award.

“Our chapter is thrilled to be presenting the Community Service Award to this community-oriented couple that has contributed to our local community by organizing and/or participating in many community activities,” said James. “They so freely give of themselves for the benefit of others.”

The DAR is dedicated to recognizing local citizens for their dedication and contributions to their community.

The DAR Community Service Award honors exemplary voluntary achievements in cultural, educational, humanitarian, patriotic, historical, and citizenship endeavors, or in environmental conservation.

Although this award is presented locally, it is a DAR National award, approved and sent from the DAR national headquarters in Washington, DC.

# Thank you for voting us “Best Insurance Agency!”

We really want to thank everyone who voted us “Best Insurance Agency” in Spring Hill and Thompson’s Station! We were thrilled to receive the award from readers of the local paper, The Advertiser News. The paper hosts the voting each year to celebrate and recognize the best our community has to offer. Thousands of votes were counted to determine the winner. We are truly honored!

**Thank you!** 

*Merry Christmas from Finn and Q!*
